

Printing Innova Placards

You can print our placards one at a time or as a complete batch.

To print individually, print the pages that correspond to the placard you want. In print options there are options for "ALL" or a text field to fill in the pages you want. Cutting guides are added on inside and outside of edges. These will hide behind the placard lip.

Choose the pages you would like to print, separated by comma. For example:

2, 3, 8-11, 14, 17, 25, 29, 30, 36-40

2-3 Speed 14
